

1. I once texted my crush the wrong message meant for my best friend, and it was super awkward.
2. I still sleep with a stuffed animal from childhood and can't imagine life without it.
3. I accidentally sent a work email to my boss that was just a meme.
4. I once wore my shirt inside out for an entire day without realizing it.
5. I sang along to my favorite song at full volume in the car, only to notice the driver next to me was staring.
6. I've Googled how to ask someone out because I had no idea what to say.
7. I tripped and fell in front of a big group of people during a presentation.
8. I've been caught talking to myself when I thought I was alone.
9. I once accidentally liked an old photo on someone's social media while stalking their profile.
10. I still have a secret stash of candy hidden in my room that I don't want to share.
11. I forgot my own birthday and had to be reminded by a friend.
12. I can't resist dancing like no one's watching when I'm home alone.
13. I have a habit of making up ridiculous stories to explain minor mistakes.
14. I've worn mismatched socks to work without realizing it until I got home.
15. I once had a crush on a cartoon character and defended it to my friends.
